

Dear Parents,

Foothills Elementary is awarding students who reach the grade level goals by spring. We are sending the Kindergarten Mustang Pride goals home with your child. There are fourteen of them.

This is the breakdown:

Gold Award:	complete at least 11
Silver Award:	complete at least 7
Bronze Award:	complete at least 3

In the spring we will be asking for you to let us know which award your child has earned so we wanted you to have a copy of the goals. They are included on the back of this letter.

Thank you,

Kindergarten Team
