

Dear Parents and Guardians:

I hope this email finds you and your family well! Yesterday I sent a Skylert out explaining procedures. I have new information to share.

I sent a link to sign up for a device (chrome book)- here is the link again:

Please make sure you have read and understand the user agreement-

[JSD User Agreement for Chrome Books](#)

Please see my previous email for free internet access through various companies, if this is needed for your family.

**To Sign Up for a Time to Pick Up Your Devices**, please go to your Family Skyward account and select the "Conference" tab on the left. Pick up times will be between 12-3:00 on Tuesday and 10-3 on Wednesday. Select me "Cherie Wilson" as the teacher and sign up for a time. **If you need to pick up anything else in addition to the device, please contact your teacher directly. We will be organizing items for pick up for parents in the gym.**

**Breakfast and Lunch- UPDATES-** The district has changed the pick up times for the breakfast and lunch packs. Also, **any student in Jordan School District can pick up breakfast and lunch from any JSD school.** This means that you may send your elementary, middle, or high schooler to Foothills to pick up meals. We will write down names and all lunch numbers and punch them in manually for you. To get an estimated count on who will be utilizing this service each day, please fill out the following survey:

Thank you so much! We will keep you updated on items as needed, as decisions are constantly being made by the district.
