

Dear Parents,

Below are a few school dismissal updates:

1. Starting Monday, March 23, breakfast and lunch will only be available at a limited number of elementary schools. Please see the list below. Meals will be FREE for ALL children age 18 and under. No student numbers or payment will be required. Federal rules require that children be present to receive a meal. Adults may not purchase a meal. Free breakfast (8:00-9:00 a.m.) and free lunch (11:00 a.m.-12 p.m.) will be available for all children starting on Monday at the following schools:

Bluffdale Elementary School
Columbia Elementary School
Copper Canyon Elementary School
Eastlake Elementary School
Foothills Elementary School
Heartland Elementary School
Majestic Elementary School
Oquirrh Elementary School
Riverside Elementary School
Southland Elementary School
South Jordan Elementary School
Terra Linda Elementary School
Westvale Elementary School

2. In order to encourage greater social distancing, many employees have been given the flexibility to work from home. As a result, building access for parents and students will vary by school. Please contact your child's school if you have questions.

3. We will update you when we hear more from the state regarding how much longer school may be dismissed.

4. In order to facilitate communication between teachers and students, we recommend that students update their preferred email in Skyward. To do so, students should log in to Family Access in Skyward, select "My Account" in the top right corner, then update the field marked "email."

Thank you for your support!
