

4th Grade Read-O Chart

4th grade students can win a reading award by completing the Read-O chart. Read a book for every box and complete the box by writing the title, author, and date completed. Some genres have more than one box and some books fit in more than one category (example: Harry Potter is both a mystery and a fantasy). However, **you must read a different book for each box**. Please read a chapter book unless otherwise noted. **Reading 10 of these genres will also pass off a Mustang Pride requirement.** ****A certificate and a prize will be awarded for those that read all 25.****
