School: Foothills Elementary

2020-2021 School Plan

John Dewey is credited with saying, "We don't learn from experience. We learn from reflecting on experience."

Reflect on 2019-2020 TSSA Plan -- Consider the following questions or create your own:

- How has our TSSA plan supported our schools' vision, mission, and beliefs?
- How has our plan supported the District's vision, mission, and beliefs?
- How has our plan improved school performance and student academic achievement?
- What action steps have had the greatest impact on school performance and student achievement?
- What have we learned?
- What are our next steps?

Write a brief review and reflection of your school's 2019-2020 TSSA Plan

I believe that with last year's TSSA plan that we have built our teacher capacity within the building. Teachers have been able to make goals, based off of our 60-day JELL plan goals- and have increased their abilities to use those instructional strategies in the classroom. We have focused on questioning and ASR during our faculty meeting PD sessions. Teachers are more reflective in their practice. With professional development, teachers have been able to take more classes to increase their teaching abilities and learn new strategies. They have been very motivated by TSSA- to improve themselves and our school as a whole. With TSSA last year we've also been able to train teachers to be coaches, to build their skills to help their colleagues in the classroom and they have learned a lot from each other. We have built capacity with our brand new teachers in their first 3 years- by focusing on classroom management and teaching strategies in the classroom. This will help them so that they feel supported those first years of teaching.

2020-2021 TSSA Plan

Gather and review evidence of school improvement and academic achievement to identify needs and create 2020-2021 TSSA plan and goals. Evidence could include: school vision and mission, existing school plans (Land trust, Accreditation, 60-day action plans, etc.), JELL Self-Assessment, PLC meeting notes, school data (Tableau dashboards, stakeholder surveys, benchmarks, Acadience, Data Gateway, etc.)

How will you use professional development to address your school goals?

Description

The coach (Amy) will provide PD as needed during PLCs and Faculty Meetings. Teachers will attend outside PD by the district or by organizations that meet our literacy and math goals. We will have PD on Digital Literacy, as well as PD for new teachers to improve their teaching practice. PD for behavior and ESL strategies too.

Action Steps

- 1 PD provided during PLCs to teachers during the day on DIBELS, how to read data, interventions, and instructional strategies.
- 2 Teachers can attend PD that meet Literacy and Math goals in Land Trust and TSSA. DLI Chinese teachers can also use funds to attend PD for Chinese. Teachers will share what they learned with their PLC teams.
- 3 Teachers can earn a stipend by attending PD in these areas by the district/outside organizations.
- 4 To earn a stipend teachers will reflect on the class, how it was implemented in their classroom, and making goals for further development
- 5 Stipends can be earned as well to attend Digital Literacy PD with Denice Despain, who will receive a stipend to teach classes and help teachers with projects to implement technology better in the classroom. New teachers will attend PD with Jodi White for mentor/mentee coaching sessions.
- 6 Purchase Really Great Reading supplies for teachers K-3; Amy Warren will continue coaching and PD on Really Great Reading strategies

[School-Based Initiative Budget Worksheet \(Optional\)](#)

How will you use school-based initiative(s) to address your school goals?

Description

Our school-based initiative is to increase WIDA scores in students by developing teacher knowledge on ESL strategies- those that are endorsed as well as those that are not endorsed. Another use of funds will compensate JELL and PLC leaders so that they can be compensated for their work. If money allows, purchase chrome books to increase our 1:1 with technology to increase engagement and student achievement. We also want to continue to improve our school-wide behavior plans to help with the climate - to become more positive- when you improve the school climate and culture, student behavior decreases and achievement increases.

Action Steps

- 1 Develop an ELL Task Force of ESL endorsed teachers to meet regarding strategies to enhance ESL student achievement. Pay a \$300 stipend to our EL Teacher Lead.
- 2 Work with instructional coach on ESL strategies- training teachers in PLCs and faculty meeting on these strategies. We will also train teachers on best practices for improving student behavior (BEST Team)
- 3 Have a focus for ESL strategies by the coach for those that are being coached.
- 4 Look at WIDA score report sheets and make decisions based on the data.
- 5 Pay JELL, PLC, and BEST team leaders a \$300 stipend; utilize classroom assistants to help with student targeted skills in literacy and math
