## January Newsletter

### Principal's Corner:

### Important Dates:

Dear Parents and Guardians:

We hope you had a wonderful winter break with friends and family! We welcome 2019 and hope you enjoyed ringing in the new year. The New Year is a great time to make resolutions and goals for yourself. Here at Foothills we continually have a goal to help all students learn and provide a kind environment for students and teachers to learn and work in.

This month will be 7th grade orientation for those going into 7th grade next year. You will either attend the orientation the evening of January 15th if your student will attend South Hills Middle with the boundary change or is part of the Chinese DLI program; and January 16th if your student will attend Fort Herriman. Please refer to the transition boundary map on [boundary.jordandistrict.org](http://boundary.jordandistrict.org) to see where your student will attend.

Next month on February 6-7, we will have parent-teacher conferences for B and C tracks. Please go into Skyward and sign up for a time for conferencing with your child's teacher, resource teacher, speech pathologist, and psychologist. We will also have the Book Fair as well, sponsored by PTA. We look forward to seeing you there! A and D track conferences will be in March.

In December, and this month, students in K-3 had mid-year testing in DIBELS. So far we have seen a lot of growth in certain areas of reading. Keep reading with your kids at home! We appreciate your support with the use of iReady at home, and helping your child learn how to read. It really takes a team and you are an important part of that team!

Thank you for your continued support and all that you do to support our efforts in teaching kindness and academics here at Foothills! We love our community of Mustangs! As always, please email me at the address below or call me at 801-302-8599- I would love to talk to you!

Sincerely,

Cherie Wilson, Principal

# TEACHER FEATURE

## Sionelle Beller

Miss Beller graduated with a degree in Elementary Education from BYU-Idaho in 2012. She later went on to earn her Masters from BYU (Provo) in 2018. This is her fifth year teaching 2nd grade at Foothills and she is proud to be part of this school! Miss Beller is the second oldest of 6 siblings and the proud aunt of 1 adorable nephew. Most of her family is still back home in Stevensville, Montana. When she is off-track you can usually find her in Montana spending time with family or curled up in bed with a good book. She loves Diet Coke, music, sports, reading, traveling, movies, games, and (almost all) food.
