*Here is a little bit about our new assistant principal, Nan Ririe- please stop by to meet her!

Hello

Greetings to you all!

My name is Nan Ririe and I am so excited to have the opportunity to work at Blackridge and Foothills Elementaries as Assistant Principal this coming school year. Both Blackridge and Foothills are exemplary schools and, as you know, have amazing leaders and dedicated staff who work tirelessly to teach and guide every child.

I have been working in the Jordan School District as a teacher and BYU facilitator for the past 14 years. In my opinion, there is no better job than getting the chance to work with and see children grow and learn - it's the best! This past March my husband and I celebrated our 40th wedding anniversary by attending Opening Day at Dodger Stadium. We had an amazing time. I have three grown children, and seven precious grandchildren who are the apple of my eye.

I would love to meet you, so next time you are at school feel free to drop by the office and say "hello." I look forward to getting to know you and your children.

All the best,
Nan Ririe
