

SCC Meeting 9/27/22  
9:15am- Faculty Room

Attendees:

Cherie Wilson, Jill Strate, Teresa Morales, Alexis Tanner, Kim Haussler, Lisa Nielsen, Heather Belcher, Brian Yokoo, John Bullough, McKenna Christensen, Alysha Rich, Anna Coles

Cherie passed around a council form for everyone to sign. She will add those to the Land Trust website and put the names of members for the year on the school website.

Lisa nominates Heather to be Chair, Brian seconds, motion approved.

Dates for SCC for the year: 12/13/22, 01/24/23, 03/07/23, all at 9:15am in the Faculty Room at Foothills.

Rules of Order and Procedure: Members attend meetings and make decisions about the needs of students, listen to diverse opinions and be sure opinions of all represented are included in discussion, expect accountability and act with integrity. Meetings are open to the public. All those in attendance received the Rules of Order and Procedure guidelines and this document is on the school website.

Code of Conduct: Code of conduct must be approved by PTA, faculty and SCC every year. Foothills has the big four: Responsible, Respectful, Safe, and Kind. The Code of Conduct discusses expectations in these categories based on the location of the students. Code of Conduct also outlines reporting procedures and consequences. Students are encouraged to always report if they see something questionable. This code of conduct has not changed from last year. Kim moves to approve the code of conduct, Teresa seconds. Motion unanimously approved. A copy of the Code of Conduct is on the school website.

Bus permits presented by Alexis Tanner, member of the public and parent here at Foothills:

Currently bus permits must be submitted at the beginning of the school year and are not approved until 10 days after school starts. This is the procedure for the Transportation department. Currently everyone who applies for a bus permit has been approved because there has been space available. There are 26 seats on the bus, and kids are allowed 2 per seat. We have come close to needing a lottery for permits but have never needed one. Homes that live 1.5 miles away or more get a bus. There is a neighborhood in Rosecrest that is nearly 1.5 miles away where approximately 35 kids ride the bus on permit. They would like to be able to ride the bus starting the first day of school. Patti would rather not have any permits turned in before August but does not oppose having them turned in early in order to get approval before school begins. Alexis is proposing that the 10 day waiting period be removed so that kids can ride the bus as soon as they are approved. Transportation has stated that the SCC can change the rules at each school, pending a motion to approve and there is a vote to do so. There is a

possibility that too many applications will be received and there will be a need to revoke all permits and go into a lottery. Lisa moves to approve the motion, McKenna seconds. Motion approved unanimously. Permit applications will now be accepted beginning August 1st. This new information will go out in the back to school information next year. Cherie will notify the district about this change.

Fundraiser: Generally we have done Wasatch Savings books. The funds from this fundraiser go to support Science materials. Last year we voted to include math materials as well. We usually make between \$3000 and \$4500. If we do this fundraiser again, we need a volunteer to be the contact person for Wasatch Savings. We talked about the possibility of creating a flier letting people know what the funds are used for and inviting parents to make a donation to the school instead of purchasing a book if they choose to do so. Cherie will write up a note to go home with the books. We should have the books come in ASAP to have a due date before fall break. We do not take a loss for the people who do not return the books. Kim moves to do the Wasatch Savings books as a fundraiser this year, Lisa seconds. Motion approved. Alysha will be the contact person with Heather as a backup on the emails. Start date Oct 3, end date Oct 14. Meet Oct 3 at 9:00 am to sort books and deliver to teachers.

Agenda Items for next meeting: Wellness policy. If there is anything that needs to be added to the agenda, email Cherie or Heather at least two weeks before the next meeting. Cherie has to post the agenda on the front doors and the website a week in advance.

Lisa moves to adjourn, Alysha seconds. Meeting adjourned at 10:20
